TENNIS COACHING FOR ALL WARWICK BOAT CLUB

COACHING OPPORTUNITIES

INDIVIDUAL LESSONS

Individual lessons, by arrangement with our club coaches, are available at most times. You are welcome to identify areas you would like to improve in your game, or let the coach decide

MID-WEEK GROUPS (term time only)

Midweek groups are run weekly in 1.5hr sessions on Wednesday, Thursdays & Fridays. Different skill levels are catered for - from beginners to team standard - our coaches will suggest the group most appropriate for you.

Many players have been regulars in these groups for years, and keep coming back because they are so much fun, AND you can always improve!

From about 4-5 years old, all levels of junior coaching are catered for. Juniors are the future of our club, so are highly valued and safeguarded. These groups run during school term time in 10 week blocks.

Your child will progress through all the levels of mini-tennis, usually starting in weekday afterschool groups, and then progressing to 3 graded sessions from 8.30 am on Saturday

mornings. Juniors who enjoy competing can progress their national LTA rating through local and national competitions. These are professionally organised and include Junior Aegon and South Warwickshire Doubles Competitions.

Many juniors have been welcomed into senior team tennis, after showing promise at coaching.

SPECIALIST COACHING EQUIPMENT

The club has purchased a Go-Pro video camera. It can be hand-held or mounted on set

positions on courts 6-11. Filmed sequences can be played back on the club TV or downloaded for home viewing. Seeing yourself play - both your good and pious - can be a major asset to overall improvement.

The tennis ball machine simulates different difficulty levels, from beginner to advanced, and is able to replicate different shot angles, replicating spin and slice. It is suitable for all ages. A dedicated cupboard to house both items is in the clubroom.
