

Warwick Boat Club – Rowing Facebook group guidelines

<https://www.facebook.com/groups/315172061915535/>

Welcome to Warwick Boat Club rowing members' Facebook page

This is our private group to share information, ask questions, find a crew, organise outings or social events and chat with other rowers.

Community guidelines

Chat, jokes, questions, friendly jibbing and cheeky banter are positively encouraged, but please be respectful to one another and champion a positive and supportive club spirit for all members.

Please avoid airing issues or complaints through the group. If you have a club issue that you feel needs addressing, whether that's appropriate use of facilities, a potential improvement to how things operate or a complaint relating to member behaviour, please contact the vice captains via rc@warwickboatclub.co.uk and they will discuss these issues at the committee and communicate a resolution if necessary.

Please avoid advertising for external companies/organisations, unless they are directly related to the club and our members.

As you would expect, bullying or discrimination will not be tolerated and will be addressed at club level. Please avoid swearing or other offensive language.

In order to maintain a positive community, in rare cases administrators may remove posts from the group. Administrators will always aim to message the person(s) involved if this action is taken.

Happy rowing.
